**DIRECTIONS:**

BEFORE USING THIS PRODUCT, apply a small amount to an unbroken patch of skin to test your skin sensitivity. Check for itching, irritation, excessive redness or inflammation. DO NOT USE THIS PRODUCT, if the applied area is extremely red or inflamed

Wash your face and apply a thin layer to the areas of brown spot and massage into the skin twice daily. Noticeable results should be expected within 3 to 6 weeks. For maximum results, continue using for at least 2 months.

You might be experiencing a slight tingling sensation and redness. To reduce the redness, mix 1:1 with lotion prior to applying. To prevent darkening from reoccurring, avoid sun exposure during and after usage. Discontinue using this product, if no improvement is noticed within 6 weeks.

**CAUTION:**

**For external use only:** Avoid contact with eyes, inflamed or broken skin. In case of accidental ingestion, seek professional assistance or contact a Poison Control Center immediately. Keep out of reach of children.

Some users may experience a mild skin darkening. If the problem persists, discontinue using the product and consult your doctor.

**DO NOT USE** on children under 12 years of age.

**DO NOT USE** this product with other products containing peroxide.
