Skin Brightening Facial 75 Minutes \$95

Brightens that dull and lifeless skin while enjoying this soothing mask treatment that activates your skin's oxygen exchange. Session provides gradual fading of freckles, age spots, acne scars, or skin pigmentation resulting from sun exposure, pregnancy, or from the use of oral contraceptives. This vitalizing facial leaves skin relaxed and radiantly fresh.

Hydrating Facial 75 Minutes \$95

The best treatment for weathered, dry and/or dehydrated skins. Rebalances and harmonizes sebaceous secretions, as well as epidermal hydration. Helps firm, hydrate, improve loss of elasticity. Helps create a "lifting" effect by improving firmness and resiliency and condition the skin for a more youthful appearance while optical diffusers help minimize flaws.

Collagen Facial 75 Minutes \$95

Replenish lost moisture to help improve the overall appearance of the skin and prevent dryness. Marine derived Soluble Collagen and Hydrolyzed Elastin. Help improve the skin's natural ability to maintain moisture balance.

Microdermabrasion 75 Minutes \$105

Microdermabrasion removes unwanted dead skin cells and scarred tissue using: ■ Microspheres (three sizes: Polyethylene, Bamboo Stem and Jade Stone) ■ Crystalline powders (Alumina and Magnesium Oxide) ■ Thermal technology. Calcium Chloride Silicones and emollients. Help dramatically remove dead skin cells. Delivers a warming effect to open, detoxify and help minimize the appearance of pores. It cleans pores down to the level where acne-causing bacteria is fostered and extracts it. Blackheads, whiteheads, pimples and scar tissue affected by them is removed. You'll feel clean and fresh and your skin will have a regenerated sparkling tone. You'll see a difference immediately!
